## JEFFREY VEREGGE

Jeffrey Veregge, 50, passed away April 12, 2024, after a courageous battle with lupus. A member of the Port Gamble S'Klallam Tribe, Veregge created a style he called "Salish geek," which combined Native American art, graphic design and comic-book heroes. His striking covers on *Red Wolf* and *Heroes Reborn* stood out from everything else on comic shelves. In 2018, The Smithsonian opened Veregge's exhibition "Of Gods and Heroes," which included his epic mural for the Museum of the Native American in New York. His work on comic covers and in public spaces leave a fantastic legacy that will long be remembered. Our hearts go out to his family and friends.

BORN WITH ABILITIES BEYOND THOSE OF NORMAL HUMANS, THE MUTANT SUPER HEROES KNOWN AS THE X-MEN USE THEIR UNIQUE POWERS TO PROTECT THE WORLD—A WORLD NOW UNDER THREAT BY A VAMPIRE INVASION! A GROUP OF VAMPIRES KNOWN AS THE STRUCTURE ENGINEERED A SIMULTANEOUS ATTACK ACROSS THE GLOBE, USING DARKFORCE ENERGY TO BLOT OUT THE SUN. NOW VAMPIRES HAVE BEEN UNLEASHED UPON HUMANITY AND MUTANTKIND ALIKE, CAUSING VIOLENT CHAOS.

North of  
New York City.

The sky went dark  
hours ago. I'm on my  
way to meet up with  
some friends who might  
know what's going on.

And on the way, I'm doing  
what I do...picking up the  
lost. Protecting people  
from the monsters that  
go bump in the night.

BRRRRR

I might not  
know why the  
sky went dark...

...but I know  
exactly who I'll  
be fighting.

HELP!

Vampires.  
I was one of  
them once.

A full-page comic book illustration of Jubilee, a mutant with pink hair and glasses, wearing a yellow jacket and blue pants. She is in a dynamic, mid-air pose, surrounded by bright, colorful light bursts and star-shaped energy effects. She is surrounded by several dark, monstrous mutants with sharp teeth and claws, some of whom are roaring. The background is a dark, starry space with a large yellow crescent moon. A speech bubble from Jubilee is in the upper left, and a text box with a description of her powers is in the lower right.

Hiya!  
I guess my  
invite to the party  
got lost in the  
mail!

I'm  
*Jubilee.*

Feeling pretty lucky having  
mutant light powers in an  
endless dark. My own little  
fireworks...or *lumikineti*c  
explosive light blasts if  
you're feeling technical.

When I was a vamp, there were people who put their own safety at risk to help me. And then I got cured.

ARGH!

I can make you the same offer someone made me once.

Stop feeding on humans. You don't have to be like this.

I have to at least try to get them to come over to our side. I remember how hard it was to resist the hunger.

I was *desperate* for just a taste of human blood. I thought I was *entitled* to it.

But all I can do is try.

FFFt. Give up human blood? Take away our power?

No. No, I don't think so.

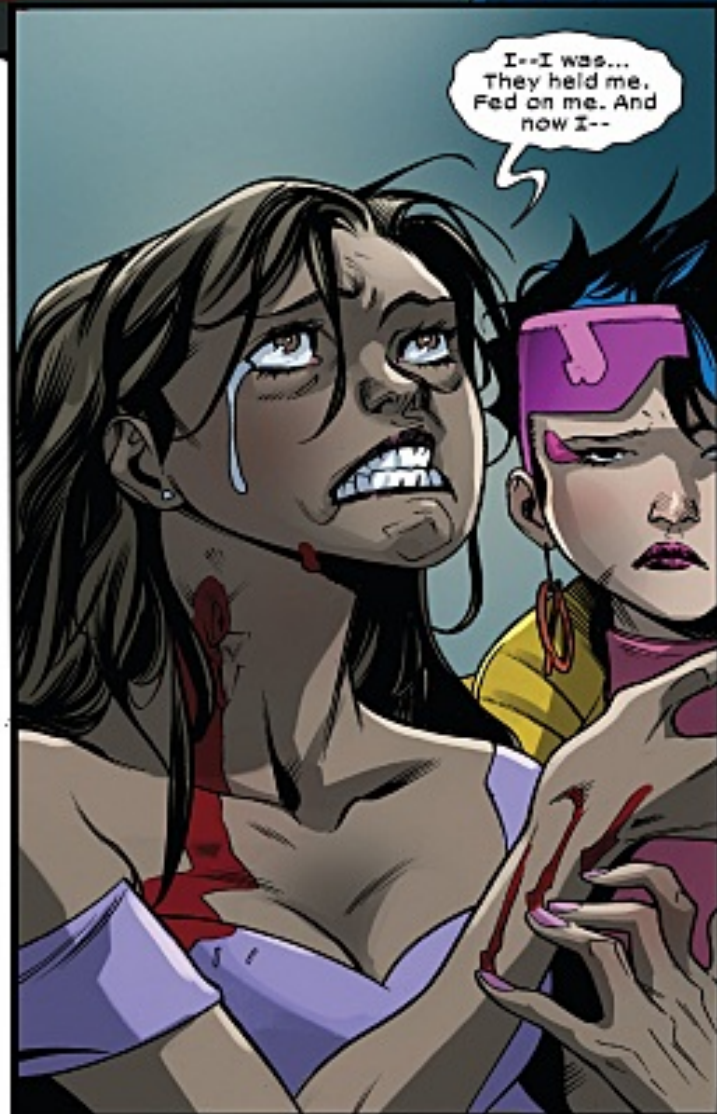

Luckily, I got something for that. Drink up. And then tell me your name. I'm Jubilee.

She's reacting to this better than I did. I didn't come back from the brink until I almost fed on a live person.

Ugh, I'm eating... rat?!

Better rat than me. How are you feeling?

Sonal. My name's Sonal. And I'm feeling surprisingly okay.

I definitely don't feel like a bunch of vampires just used me as a human blood bag.

But you're hungry? Do I look like a snack or a person?

Both?

Well, wholesome flirting feels like a good sign. Come on.

Where are we going?

To meet some friends who will know what to do next.

She's worried. Her hands are careful on my shoulders. Like she might lose control.

Hunger's not a strong enough word for what she's feeling. But I know she can survive this and stay herself.

I can't tell if Ghost Blade is nearby, but we're close now. We might get there without--

Now I really hope Ghost Blade is somewhere close.

QUICKSHOT

# THE FORGIVEN

are here.

NIGHTEYES

GHOST BLADE

VISIGOTH

The Forgiven. They can do everything the rest of these vampires can do. Except with one significant difference: They won't drink human blood. They don't hunt us. They protect.

Get us an opening, Visigoth! We can't have any of them at our backs!

You heard the lady! **MOVE OUT OF THE WAY!**

Stay back if you know what's good for you, ya heathens!

**BAM**

So, there's a plan, right?

I think the plan was "we're here" and then fighting. Then getting you and your friend the hell out of here.

I'll take it.

**AH!**

Have you forgotten everything we taught you, Jubilee? You cannot hesitate with the lost!

I didn't forget. I want there to be more hope than there is though.

I know this is not easy, Jubilee. But they'll kill you if you waver.

I know, I just don't like it. Never have.

You think it's against Raizo's teachings?

Yes, I think he'd want them to have the chance! I think he'd want us to offer.

You forget--the dead cannot offer anything.

Nighteyes is right. I can't do anything for anyone if these vampires kill me. And they will. The second they get a chance, they'll do it.

They're too drunk on whatever is happening with the sky and their powers. I can't forget that.

We might want to get Jubilee's little baby vamp friend out of here sooner rather than later.

**HOLY TRINITY CEMETERY,**  
Upper Manhattan. Former  
Avengers base. Currently  
housing the Forgiven.

--put calls out to collect as  
many new vampires as we can.  
The ones who aren't too far  
gone too fast. And we'll  
fight the others.

I won't  
say it gets  
better...

It does  
get easier  
though. Drinking  
that.

You're  
back!

Of  
course I am.  
We were right  
behind you.

So, you  
stickin' around  
here?

If that's  
okay.

Then we better  
clean out one of the  
rooms for the new  
kid, 'Goth.

Why is  
that our  
job?

Because it  
is. Come on, I'll  
supervise.

Let's talk.

Okay.

She wants to tell me I screwed up, I bet.

I don't relish fighting my own kind, you know.

What?

I don't like it. I hate it. But we are here to protect people. To keep people safe from vampires who chose the easy route.

Vampires who didn't fight against their base instincts.

I didn't know you still thought that way.

I've never forgotten.

CRASH

Sorry, Ghost Blade! Guess becoming a vampire didn't give me any coordination.

Thank you, Nighteyes. For everything.

You don't need to thank us, sister--you just keep the faith and do your best, despite the circumstances. That's all any of us can do.
